WELCOME TO KiwiSki

School Ski trips are a rewarding experience and KiwiSki are pleased to introduce you to the latest of our school ski trip packages.

Our packages include all of the necessary elements of your ski trip. To ensure that you experience a safe, fun, fabulous ski tour in New Zealand we take care of every conceivable aspect from food to accommodation, lift passes to equipment hire and Ski School to safe travel.

Our trips are designed by teachers for teachers and their students. Our tour coordinator has years of school group experience and can even supply answers to questions you didn't know you were supposed to ask. As a school trip leader you can rest assured that KiwiSki will assist you every step of the way. Our advice is based upon personal experience and up to date, first hand information.

Each school group is different; we don't assume everyone wants the same things, so please feel free to add, deduct or alter parts of the tour to suit your specific needs, thus ensuring that you and your students have a one-off tour of a lifetime.

We know that our package tours are useful in enabling schools to see what you can get for a set price, but almost every tour we have organised ends up slightly amended. Your consultant will go through all of the options open to you when you talk to them on the phone.
